

## **Update #19 – April 6, 2010**

This afternoon, HB 5701 was pulled from the Policy and Steering Committee on Ways and Means and brought to the Senate floor. An amendment was added which deleted everything after the enacting clause, and deleted everything before the enacting clause. It passed as amended then was sent back to the House. In effect, the Senate refused to concur with the House on this bill. I think it is dead.
