

# Master of Science in Counseling and Psychology Clinical Mental Health

Accredited by the Council for Accreditation of  
Counseling and Related Education Programs (CACREP)

The **Clinical Mental Health Program** is designed to train  
mental health counselors.

This 60-semester hour program has been tailored to meet  
educational standards for state licensure and national  
counseling credentials.

The program is designed to provide students with knowledge of  
theory, application of counseling skills to various agency  
populations, knowledge of both normal and pathological  
development and behavior, and expertise in treatment planning.
