HASA's Annual School Board Forum

By Jason Pepe

On March 2, 2010, HASA hosted its annual School Board Forum at the Columbia Restaurant. This very special event provided HASA members a unique opportunity to discuss the latest issues affecting our district with the Superintendent and School Board members. After a delicious meal, HASA members presented brief updates concerning Legislative priorities, professional development grants, the Gates Foundation Grant, FASA, and an overview of the HASA mentoring program and scholarships sponsored by our association.

During the presentations, School Board members offered their insight and clarified their own positions regarding these topics. HASA members asked questions throughout the evening during both small group and open forum sessions. HASA appreciated the time and sincerity devoted by the Superintendent and the School Board during this event. This unique forum exemplified the positive relationship that has developed over the years between HASA and the Board. Working together, we will continue to meet the vision and mission of Hillsborough County Public Schools.
